MY DIGITAL MARKETING WORKFLOW

A practical 7-step marketing process applied across client engagements to maintain strategic focus and execution quality.

01

Business Analysis

PHASE 1

Understand the client's business, products/services, target audience demographics and marketing requirements before starting content creation.

02

Social Media Profile Optimization

PHASE 2

Review Instagram profile presentation, bio copy, logo/avatar presentation and story highlights for clear brand positioning.

03

Content Planning

PHASE 3

Plan content according to business goals, audience, promotions and strategic content pillars across educational and commercial formats.

04

Script & Copy Development

PHASE 4

Write complete reel/video scripts, hooks, captions and CTAs tailored to platform formats and the client's brand voice.

05

Creative Development

PHASE 5

Create social media posts, promotional creatives and story assets using Canva and AI-assisted tools with clean visual communication.

06

Meta Ads

PHASE 6

Work with Meta Ads Manager for campaign setup, audience targeting, location targeting, budget planning and creative selection.

07

Performance Review

PHASE 7

Review basic content and campaign performance, track engagement signals and improve future content strategy based on observations.

FOOD &
FMCG

Rinkuben Khakhrawala

Handle: @rinkubenhakhrawala • Category: Export-Quality Khakhra • Location: Kadi, Gujarat

• Role: Profile Optimization • Graphics • Scripts • Captions & Hashtags • Posting

BEFORE MAKEOVER

AFTER OPTIMIZATION

01. INITIAL DIAGNOSIS

AUDIT

- Dormant Social Presence:** Quality vacuum-sealed khakhra products, but zero cohesive visual branding or catalog.
- Missing Conversion Path:** Buyers could not view flavor varieties, pricing, or direct ordering links.
- Zero Search Visibility:** Profile lacked local keyword indexing for snack buyers.

02. STRATEGIC INTERVENTIONS

STRATEGY

- Branded Visual Identity:** Standardized warm food palette & designed 5 custom highlight covers.
- Bio & WhatsApp Funnel:** Overhauled bio with quality guarantee & direct wa.me link for instant ordering.
- Content Scheduling:** Established weekly cadence balancing product carousels & short snack reels.

✓ VISUAL & PROFILE MAKEOVER AUDIT

ELEMENT	BEFORE MAKEOVER	AFTER OPTIMIZATION
Avatar	Raw product packet photo	Clean yellow brand logo emblem
Bio Copy	Empty / no product detail	Value hook, 100% wheat, WhatsApp order CTA
Highlights	Zero highlights	5 custom branded icons (Flavors, BTS, Export)
Feed Grid	Unstructured camera snaps	Warm appetizing yellow/gold food palette

CASE STUDY 02 • HEALTHCARE & CLINICAL SERVICES

HEALTHCARE

Ekdant Dental Clinic & Implant Centre

Handle: @ekdant_dental_clinic_kadi • Category: Dental & Implant Healthcare • Location: Kadi, Gujarat

• Role: Profile Optimization • Graphics • Scripts • Captions & Hashtags • Posting

01. INITIAL DIAGNOSIS

AUDIT

- Informal Brand Image:** Profile operated as a personal doctor account with a casual selfie DP.
- Missing Clinic Information:** No clear visibility on OPD consultation timings, dental implants, or contact info.
- Patient Fear Barrier:** Lack of educational content addressing common dental procedure anxiety.

02. STRATEGIC INTERVENTIONS

STRATEGY

- Clinical Brand Identity:** Introduced calming medical teal branding and a professional vector logo.
- Structured Appointment Path:** Formatted clear bio with address in Kadi, OPD hours, and tap-to-call link.
- Patient Trust Framework:** Built educational video thumbnails and highlight covers for clinic sterilisation.

★ VIDEO SCRIPTING & REEL CONCEPT PLANNING

100% ORIGINAL SCRIPTING

Complete Video Scripting & Concept Ownership — Hitesh Sadhu

- ✓ **Complete Script Ownership:** Conceived, planned, and drafted the complete video scripts and spoken dialogues for all brand reels and promotional videos.
- ✓ **Patient Education Hooks:** Formulated awareness hooks addressing common brushing mistakes, dental myths, and doctor OPD appointment CTAs.

i Execution Scope: Video scripting and concept ideation by Hitesh Sadhu; visual camera shoot and video editing handled by client / production team.

✓ CLINICAL PROFILE & TRUST AUDIT

ELEMENT	BEFORE MAKEOVER	AFTER OPTIMIZATION
Avatar	Casual personal doctor selfie	Official clinical dental emblem logo
Bio Copy	Personal doctor profile info	Specializations (Implants, Braces), Timings & Location
Highlights	Zero highlights	4 patient trust categories (Reviews, OPD, Clinic BTS)
Tone	Informal / unclear care scope	Authoritative, patient-friendly & educational

CAMPAIGN SETUP & MY ROLE

- **Targeting:** Women demographic within Kadi and surrounding regional radius.
- **Creative Selection:** Paired high-tempo western wear lookbook video reels.
- **Budget Management:** Controlled daily spend pace across the 14-day flight (Spent ₹4,696.53 / Remaining ₹303.47).
- **Responsibilities:** Campaign creation, awareness objective selection, audience targeting, creative testing, and delivery monitoring.

WHAT I MONITORED & LEARNED

- **Awareness Focus:** Attention placed on unique reach and frequency rather than immediate conversions.
- **Video Consumption:** Video views (597K+) provided clear feedback on audience retention.
- **Local Matching:** Audience location targeting ensured regional store relevance.
- **Objective Alignment:** Monitored delivery health strictly against the selected awareness goal.

CAMPAIGN 02 • B2B / INDUSTRIAL ADVERTISING

CAMPAIGN EXPERIENCE

Ramdev Glass & Aluminium Section — Warehouse / Space Rental Promotion

Campaign Objective & Targeting:

Structured targeted ads to promote available commercial warehouse space for lease to regional logistics and business operators across Kadi and neighboring industrial hubs.

My Practical Scope of Work:

Campaign planning • Audience targeting • Geo-radius selection • Budget planning • Creative format selection • Primary ad copy drafting • Campaign setup & active monitoring.

🕒 Performance data not included — campaign experience documented from campaign setup, targeting configuration and active execution.

META ADS MANAGER — PRACTICAL EXECUTION CAPABILITIES

01. Setup & Structure

Campaign objective selection (Awareness & Video Views), campaign hierarchy & budget caps.

02. Audience Targeting

Demographic profiling (women/regional), geo-radius mapping around Kadi & industrial centers.

03. Budget Pacing

Controlled daily spend pace across 14-day flight (₹4,696.53 spent / ₹303.47 remaining discipline).

04. Creative & Delivery

— PRODUCTION ENGINE & METHODOLOGY

CONTENT CREATION & REEL SCRIPTING

A practical workflow I use to develop hooks, scripts, visuals and CTAs for short-form content.

01 RESEARCH → 02 IDEA → 03 HOOK → 04 SCRIPT → 05 CTA → 06 ADAPT

☆ 100% Original Scripting: All video hooks, narrative structures & spoken dialogues authored by Hitesh Sadhu

01. CURIOSITY & LOCAL CULTURE

ENTERTAINMENT & CINEMA

Strategy & Execution: Taps into regional cultural pride, relatable Gujarati dialog, and conversational curiosity to hook the viewer within the opening 3 seconds.

Engagement Trigger: Cultural resonance + curiosity gap that prevents the viewer from swiping away before the punchline.

02. PROBLEM AWARENESS & URGENCY

HEALTHCARE & MEDICAL

Strategy & Execution: Identifies common daily dental misconceptions, subtle tooth pain signs, or brushing mistakes that prompt viewers to seek clarity.

Engagement Trigger: Personal health relevance + doctor authority that drives high watch time and saves.

03. SENSORY & APPETITE APPEAL

FOOD & HOSPITALITY

Strategy & Execution: Combines appetizing visual crunch, sizzle audio cues, and authentic preparation visuals to trigger sensory craving and instant footfall.

Engagement Trigger: Sensory hunger trigger + immediate WhatsApp ordering CTA in the bio.

04. RAPID TRANSFORMATION

FASHION & LIFESTYLE

Strategy & Execution: Showcases outfit versatility, dynamic beat-matched transitions, and real-time occasion styling to deliver instant visual value.

Engagement Trigger: Fast visual pacing + aspirational styling utility that maximizes profile visits.

► Hooks

Start with a clear question, visual movement, problem or curiosity-driven statement to capture attention early.

📄 Mute Optimization

Use clear on-screen text so the main message remains understandable even when viewers watch without sound.

🔖 Save & Share CTAs

Use useful, relatable or reference-worthy content to encourage viewers to save or share it.

🕒 Seamless Loops

Where appropriate, structure the ending so it connects naturally with the opening.

Workflow Division: Content strategy, calendar planning, Canva graphics, 100% original reel scripts, captions, hashtags & scheduling managed by Hitesh Sadhu. (Camera shooting & video timeline editing executed by clients/videographers).

— HYBRID WORKFLOW

AI x DIGITAL MARKETING

Using artificial intelligence as a speed and productivity multiplier while maintaining human creative judgment.

“I use AI to work faster — not to replace marketing judgment.”

Tools: ChatGPT • Claude • Google Gemini • Canva AI Features • SEO & Search Acceleration

01 CONTENT IDEATION

Generating multiple reel concepts, conversational hooks and seasonal topic angles to explore creative directions.

02 SCRIPTING & COPY

Drafting first-cut scripts, captions, CTA variations and headline alternatives for rapid refinement.

03 CREATIVE DEVELOPMENT

Assisting with visual concept ideation, layout wireframes and color combinations before building Canva assets.

04 RESEARCH SUPPORT

Conducting competitor research, audience persona brainstorming and industry terminology synthesis.

Practical Workflow Example: AI Idea to Final Creative

1. AI IDEA DRAFT

Generic generated hook: “Buy tasty snacks online for healthy eating today.”

→

2. HUMAN EDITING & BRAND TONE

Adapted for Rinkuben: “Chai ke saath vahi purana biscuit? Try vacuum-packed fresh methi khakhra!”

→

3. FINAL CREATIVE ASSET

Designed Canva banner with crisp product imagery, clear CTA & local delivery tag.

ChatGPT Plus

Hook variations, dialog pacing & caption frameworks

Google Gemini

Audience persona research & industry terminology

Canva AI Magic

Graphic wireframes, layout variations & palette tuning

Human Editorial

100% brand voice alignment & Gujarati localization

CORE PRINCIPLE

“Every AI-assisted output is reviewed, edited and customized according to the brand voice, target audience and marketing objective.”

— COLLABORATION & GROWTH

LET'S BUILD BETTER DIGITAL EXPERIENCES.

"I am looking for an opportunity where I can contribute my practical digital marketing experience, learn from an experienced creative team, and grow into a reliable, high-output social media professional."

WHAT I BRING TO YOUR CREATIVE & MEDIA TEAM

01. End-to-End Social Execution

From business analysis and profile makeovers to monthly content planning, Canva graphics, captions & posting.

02. Creative Scripting & Hooks

Original reel scripts, 3-second attention hooks, and conversational spoken dialog in Gujarati and Hindi.

03. Practical Meta Ads Exposure

Hands-on experience in Meta Ads Manager: campaign creation, geo-radius targeting, and daily spend pacing.

04. AI-Accelerated Productivity

Leveraging ChatGPT & Gemini for rapid research and ideation while maintaining strict human editorial standards.
